PROFESSIONAL SUMMARY

Motivated BCA student with a strong foundation in programming and web development. Proficient in C++ and experienced with JavaScript, Node.js, Express.js, MySQL, and RESTful API concepts. Currently developing backend and full-stack projects to strengthen practical software development skills. Strong academic performer with an 8.83 CGPA and a keen interest in building real-world applications.

TECHNICAL SKILLS

Programming Languages: C++, JavaScript, SQL
Frontend: HTML5, CSS3, JavaScript, EJS, React
Backend: Node.js, Express.js, RESTful APIs
Database: MySQL
Tools: Git, GitHub, VS Code, Postman
Core Concepts: Data Structures & Algorithms, Object-Oriented Programming, CRUD Operations, REST API Architecture, HTTP Methods, Database Operations

PROJECTS

Stayora – Accommodation Booking Platform *In Development*

- Developing an Airbnb-inspired web platform for discovering and managing accommodation listings.
- Designing functionality for users, property listings, and booking-related operations.
- Building backend architecture and database operations using Node.js, Express.js, and MySQL.
- Applying web development concepts while developing a practical full-stack application.

Task Management REST API *In Development*

- Developing a RESTful API for managing tasks and practicing backend development concepts.
- Implementing CRUD operations for creating, retrieving, updating, and deleting tasks.
- Designing task data with attributes such as title, description, priority, status, and due date.
- Testing and validating API endpoints using Postman.

Personal Portfolio Website

- Developed a personal portfolio website to showcase projects, technical skills, and development experience.
- Created a responsive and user-friendly interface using HTML, CSS, and JavaScript.

Currency Converter

- Developed a web-based currency converter with a responsive user interface.
- Integrated an API to retrieve currency conversion data and dynamically display conversion results.

EDUCATION

Bachelor of Computer Applications (BCA) *2024 – Present*
KLE's K. F. Patil Institute of BBA and BCA, Ranebennur
Haveri University **CGPA: 8.83 / 10.00 (up to 3rd Semester)**

Pre-University / 12th: 90.84% *2024*
SSLC / 10th: 98.08% *2022*

CERTIFICATIONS

- **Frontend Development + React** – Seminarroom
- **Backend Development** – Seminarroom
- **Machine Learning** – Seminarroom
- **UI/UX Design** – Seminarroom

SOFT SKILLS

Problem Solving • Communication • Teamwork • Quick Learning • Adaptability

AREAS OF INTEREST

Web Development • Backend Development • RESTful API Development • Data Structures & Algorithms
